

Fork Mounted Sweeper

Fork Mounted Sweeper - This accessory makes industrial sweeping jobs much easier to finish. The versatile forklift mounted broom is meant for use with either dry or wet material clean ups. It could push snow and squeegee water effortlessly. This attachment is often used to be able to clean garbage from warehouses, construction sites, docks, parking lots and almost anyplace it is considered necessary. The lift truck sweeper is a low maintenance attachment which utilizes quick-tite fork products to effortlessly connect to the forklift.
