

American Lincoln Part

American Lincoln Part - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the business they are recognized in the industry as providing durable and strong machinery which meets all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply parts, warranty service and machines for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency make a difference. Lately, this floor scrubber model has been utilized by the architects in new construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on location because of the model's utmost performance level and excellent quality for polishing concrete.
